LETTER

Assistant Commissioner for Patents

Washington, DC 20231

Sir:

On May 30, 2000, we filed a Continuation Under CFR 1.53(b) by Express Mail, Express Mail Label No. EK863325708US. Enclosed is the return post card we received back from the USPTO but we did not receive a Serial Number. Also enclosed is the specification, claims and abstract (24 pages), the Transmittal Letter, The executed Declaration and Power of Attorney and a copy of the Express Mail Label. We have called three times since receiving the post card and have been advised it was too early to get a Serial Number. This happens very rarely. We always have a serial number on the post card when it is returned from the USPTO. Can you have someone check this out for us and advise via Facsimile at (864) 433-2831, Telephone at (864) 433-3247 or (864) 433-2626. Thank you for your prompt attention to this case.

Respectfully Submitted,

July 13, 2000
